Alma Mater

Oh Alma Mater
We love you so,
All you have done
We'll never know,
We love your halls
and classrooms gay,
Fond memories of you
Will not fade away.

Our dear old school
Will never fall,
It is so grand and
Loved by all,
May the old spirit
Forever be true,
Oh! Gruver High School
We stand up for you.

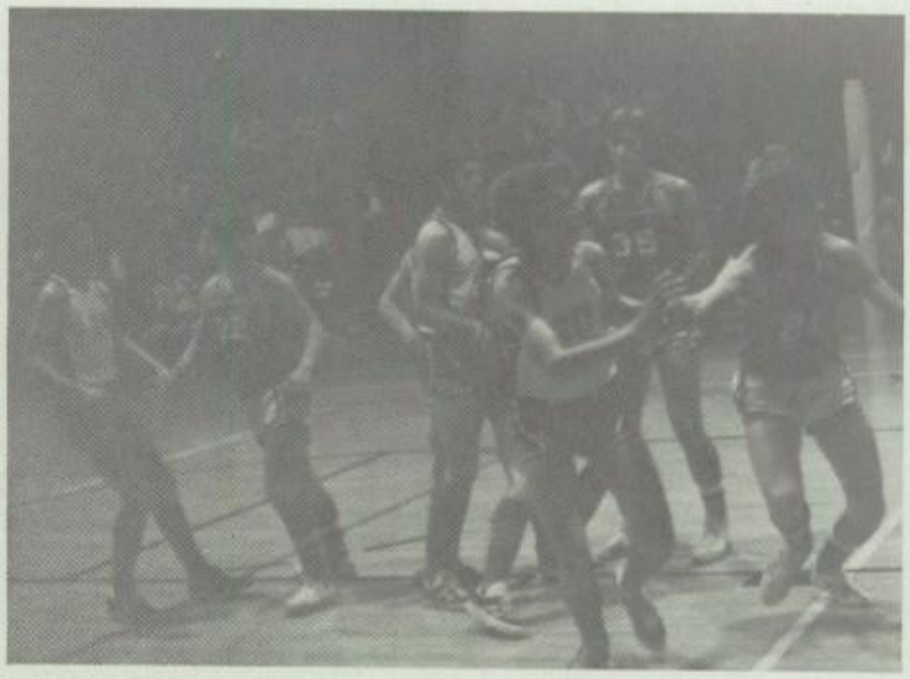
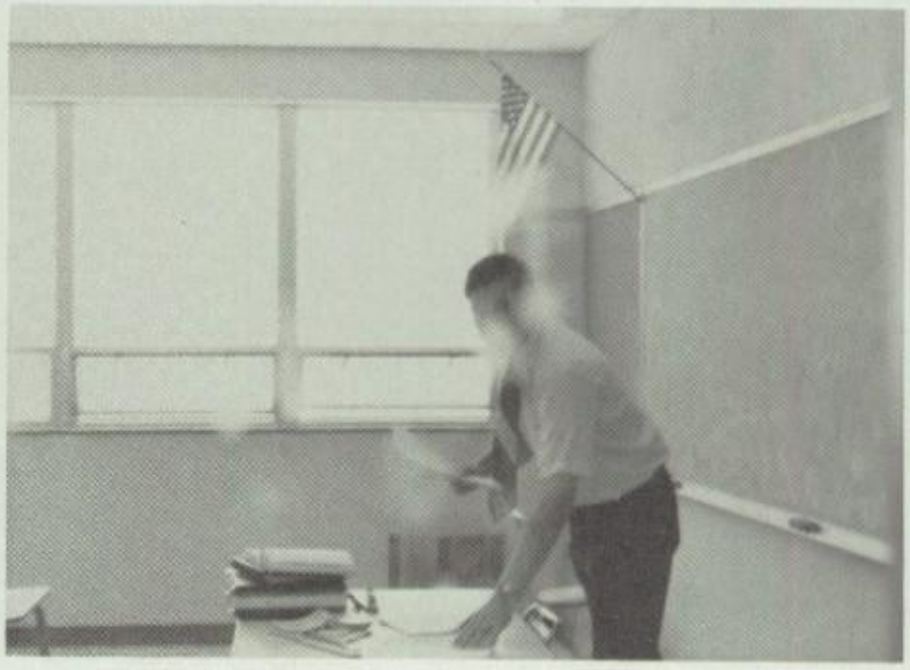
Get your head out!

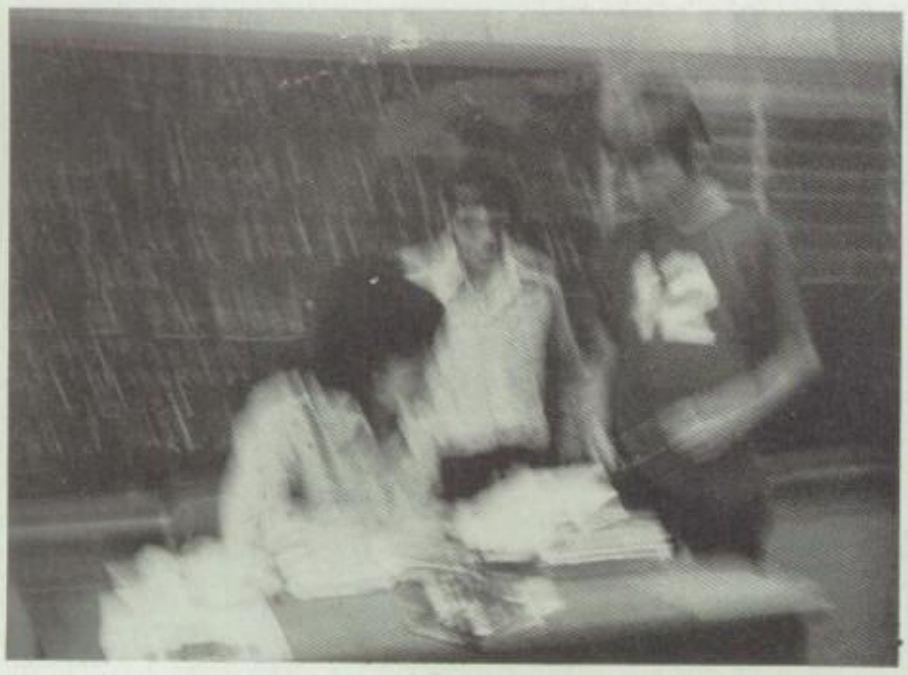


That was the night that the lights went out in Gruver?!!

It's a bird! It's a plane! It's Superman!?!



Rather fight than switch.



I can see clearly now -

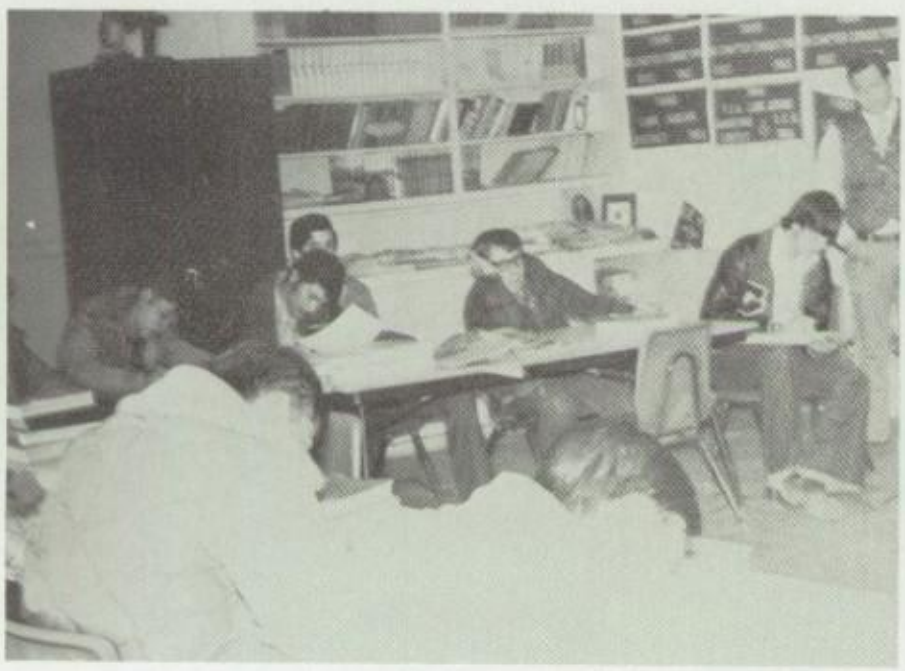
Routine class period.

AMY STAVLO CARL ODOM

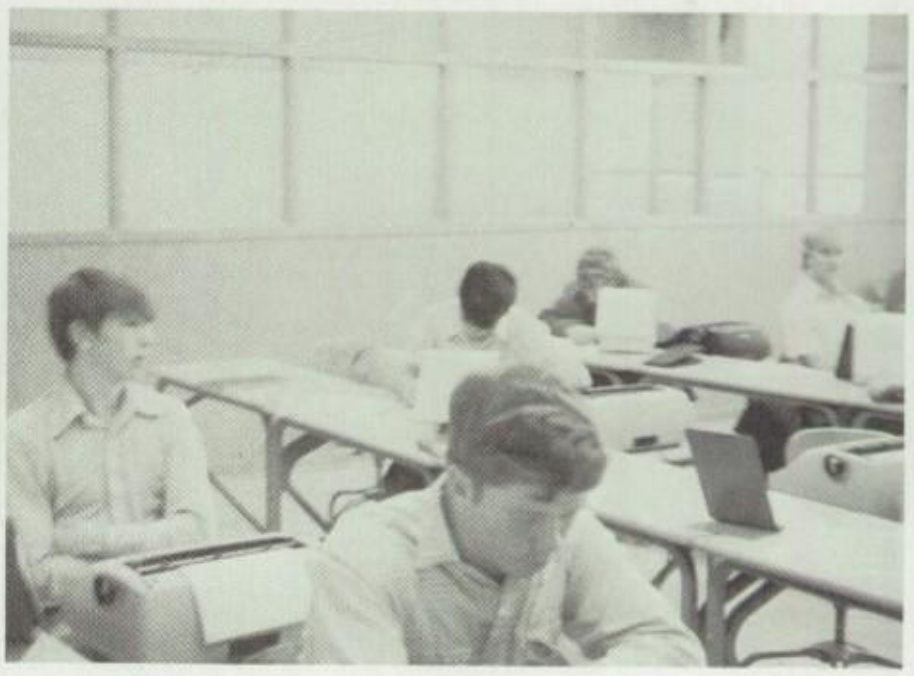
Basketball Queen and King

Don't talk about Larry Mahan like that.

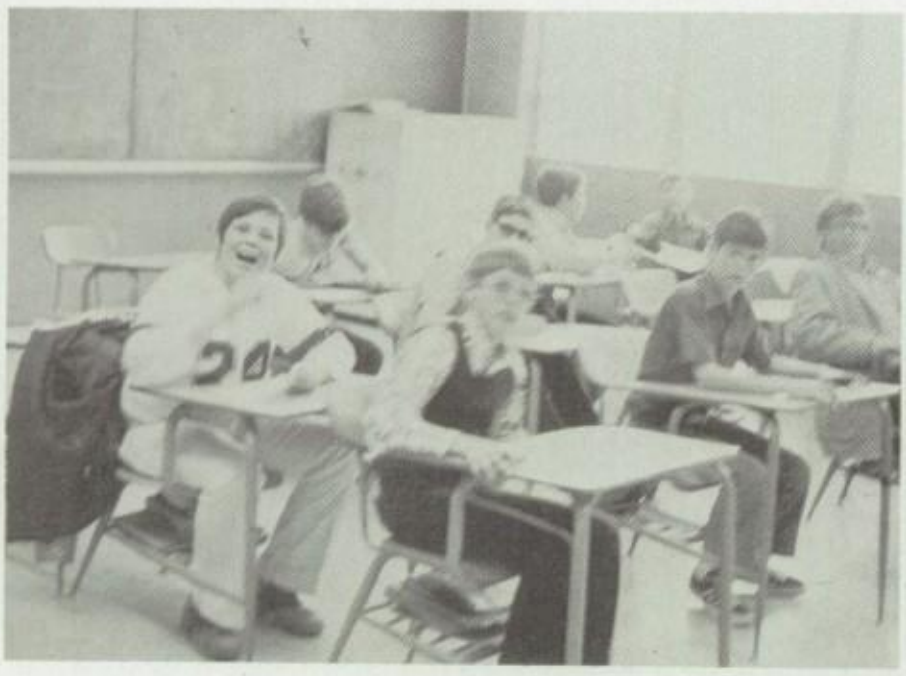
Seniors always do work hard for Mrs. Chisum.



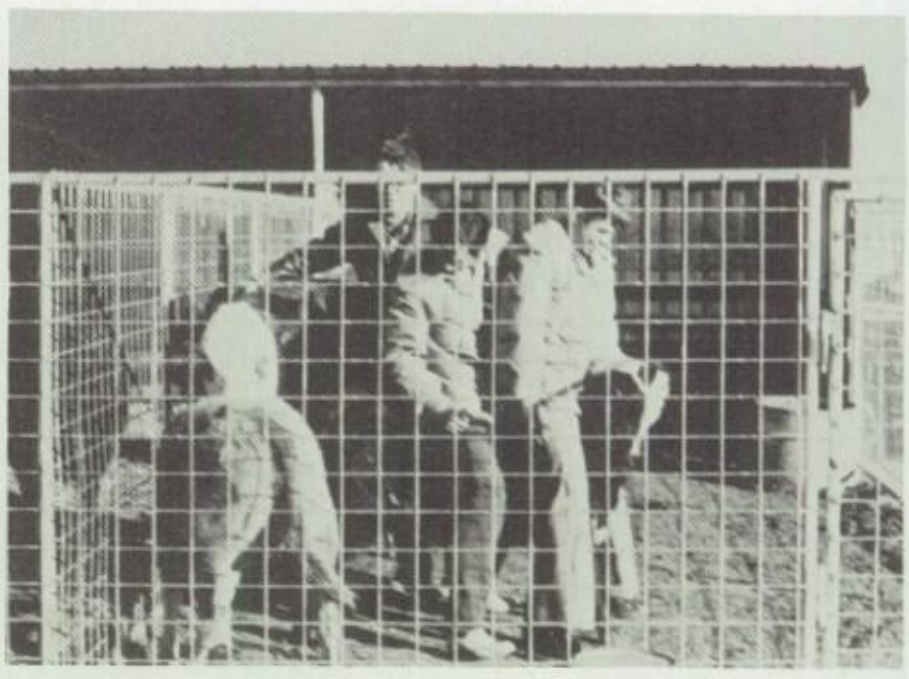
I'm gonna have to make an example out of somebody.



Garland must be thinking about women.



CREST keeps Russell from having cavities.

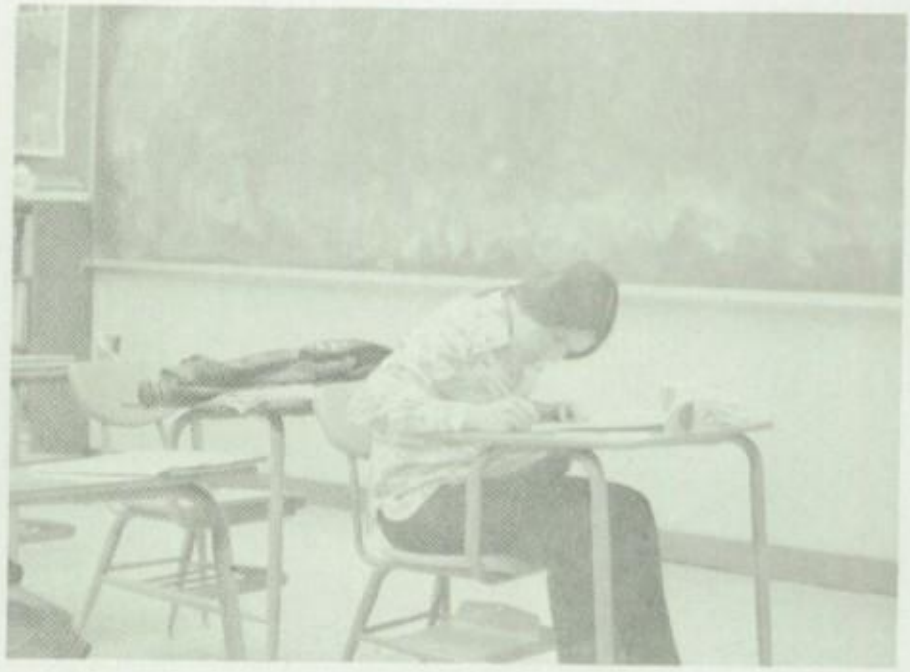


FFA boys always get attached to their animals.

A great heat wave took its toll on the cheerleaders.

Willy drove a new vehicle to school.

Starrla jumps at the chance.



Meeting of the minds of GHS.

People flock to the Spanish Club Supper.

Sorry Joe, she's engaged.

G.I. Joe and his combat team.

No, Mr. Haggard, we were just . . .

Then we could grab a pizza, then . . .

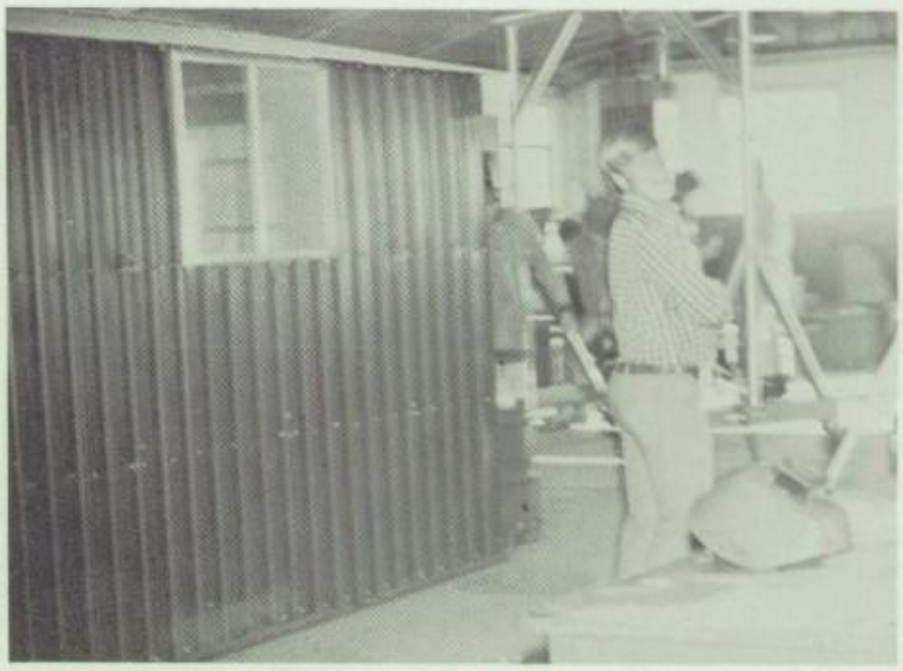
Los Amigos Spanish Club

Is it Ella Fitzgerald or a Memorex Tape Recorder?

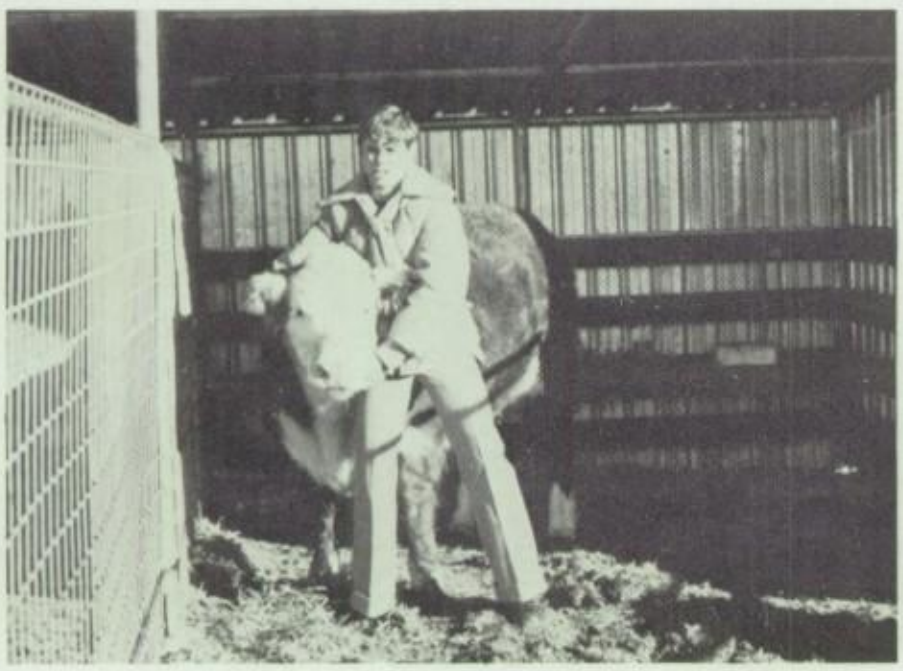
Ha, Ha!

History repeats itself.

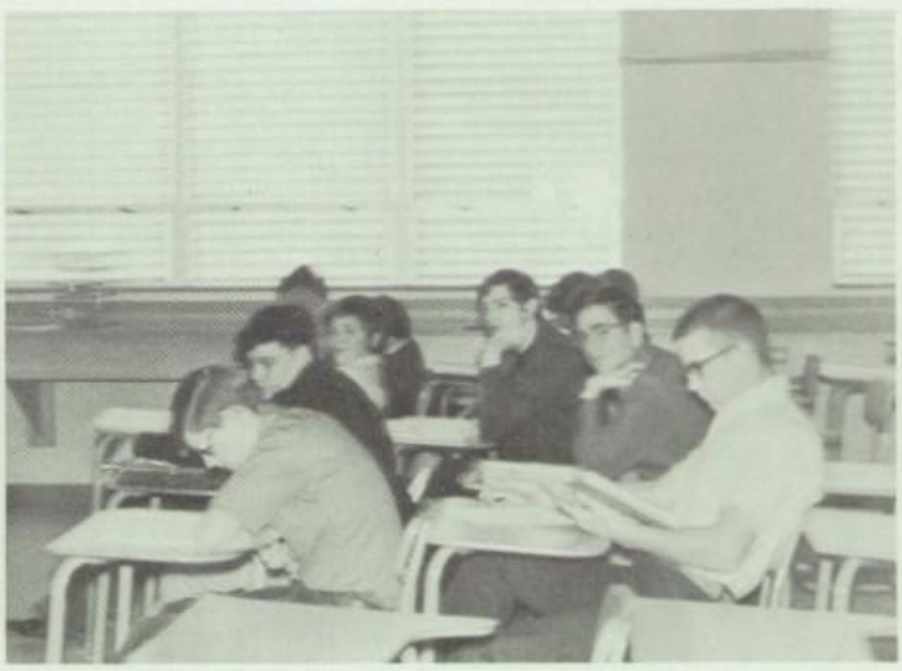
This is Thursday, Starrla. The pep rally is tomorrow.



All you do is stand around and let your hair grow long, Brian.



Cyclone Negro vs. Man Mountain Mike.

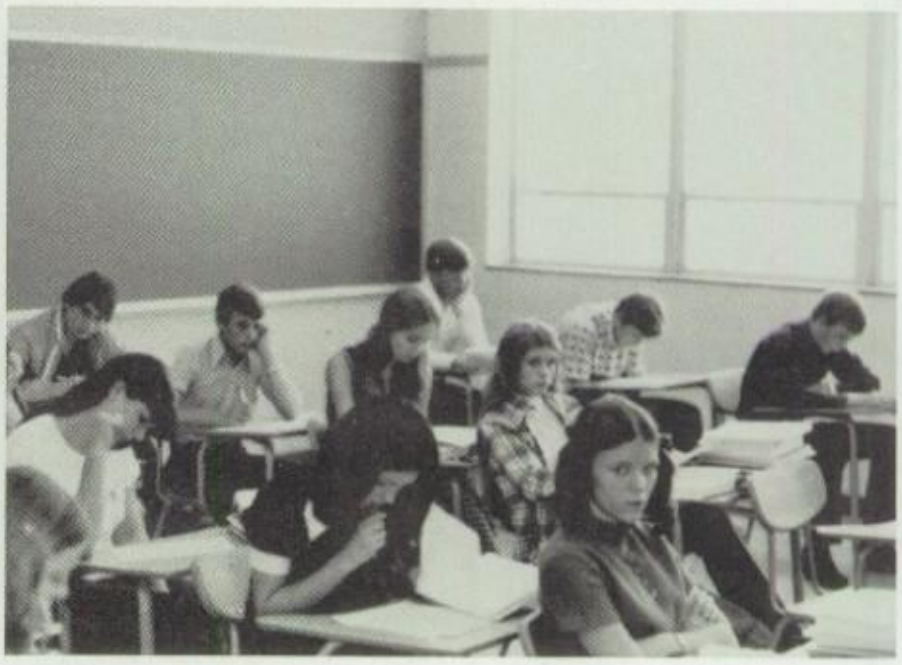


Don't let your eyes wander; this is Mr. Looper's class.

The things these kindergarteners today do with their sand boxes.

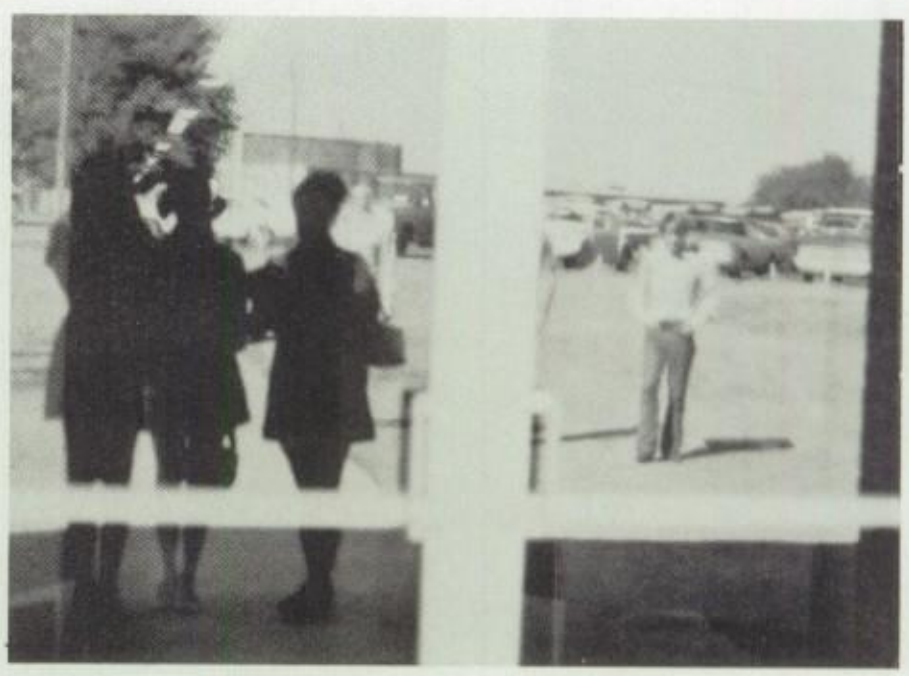
Frog always was a "leg man."

The notorious James Gang!



Don't cry Starrla.

The good, the bad, and the ugly.



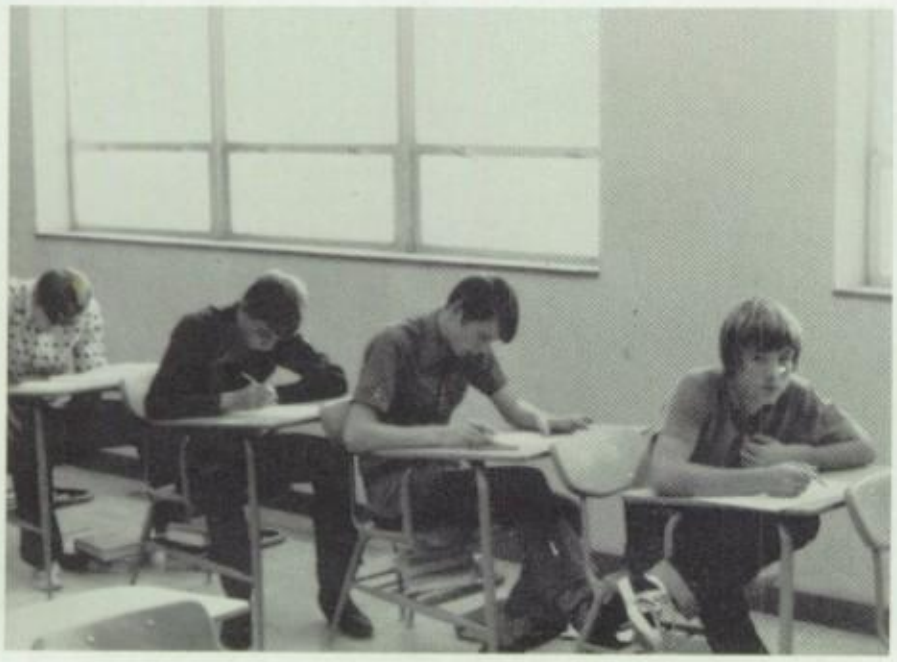
Trick photography.

Mr. and Miss GHS

Okay, who spiked the punch?

Gruver's wrestling team admires their trophies.

Most likely to succeed?

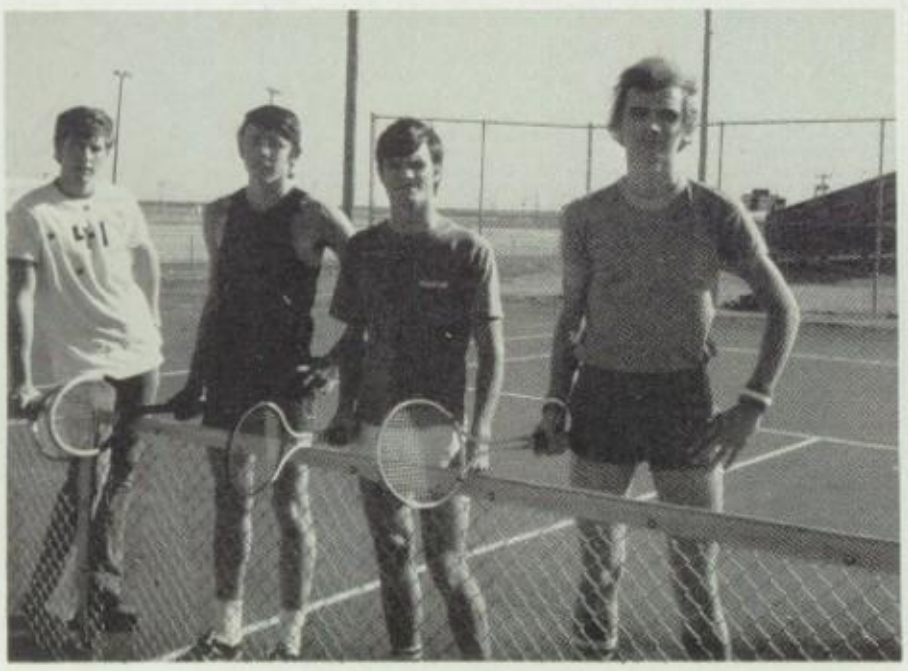


The computer that wore tennis shoes.

Randy won 1st place in the Betty Crocker Homemaker Contest.

Gruver's first pre-school graduating class.

Will the real lover, fighter, and wild bull rider please stand up?



Watch out Billie Jean!!!

The alarm rings at 3:30.

Look out, Brent! There is one right behind you too.
